

Filters and Service that Go the Distance

Road-Ready Performance

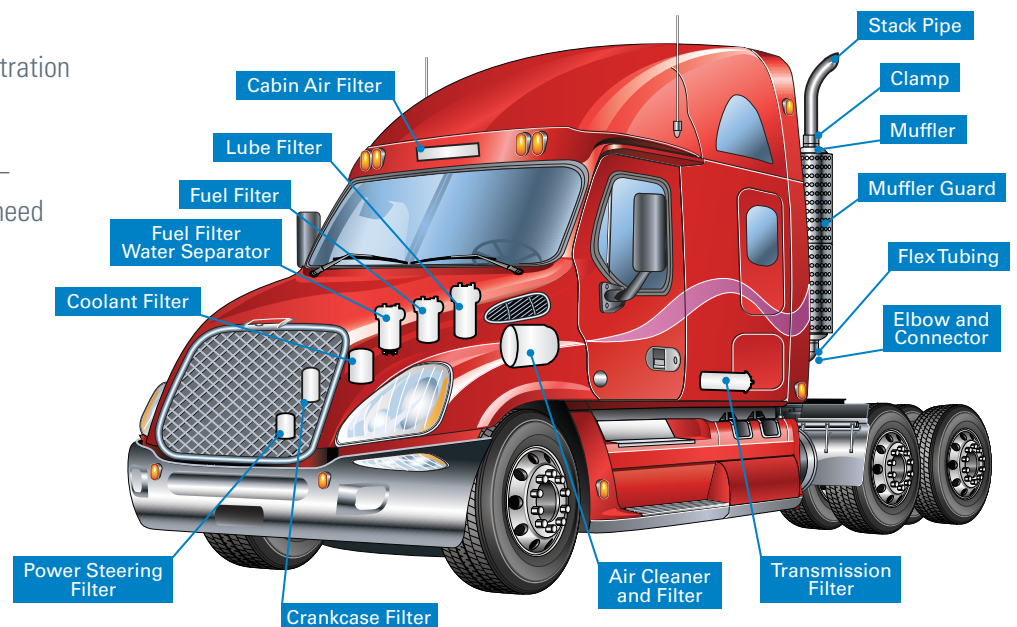

Durable, rugged and built for the long haul, Donaldson replacement filters are manufactured to the same quality standards as the original.

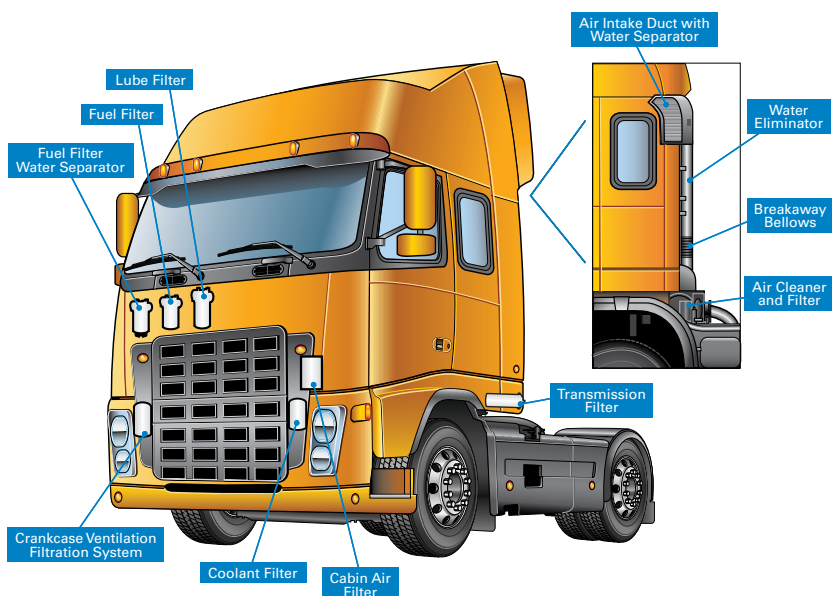

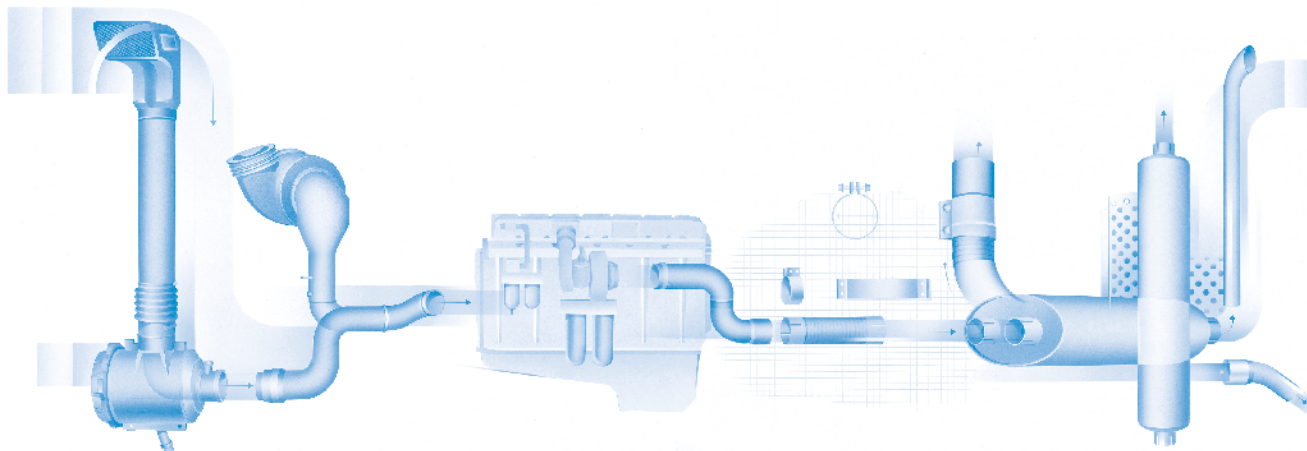

Innovative Filtration Solutions for Engines, Equipment and the People Who Use Them

- Industry-shaping technology – uncompromising product quality
- Trusted by OE's – preferred by the pro's
- Broad Distribution Network – customers buy where they prefer
- Broad Product Coverage – air, lube, fuel, coolant and hydraulic filters and systems, plus exhaust, accessories and more
- Tremendous Value – the best filtration solutions for the money
- Consistent Product Availability – the filters you need, when you need them
- Specialized Fleet Service – for the trucking industry
- Comprehensive Customer Service – by experienced and knowledgeable sales and technical support
- Easy-To-Use e-Tools
- Warranty – comprehensive coverage and far-reaching field support
- Global presence with a local touch

Your Total System Supplier

Count on Donaldson to have the right filters, mufflers and accessories for your engines and equipment. Our filtration solutions optimize on-road performance and reduce maintenance costs.

Complete Coverage From End to End

Induction to Exhaust Venting

- Air cleaners and replacement filters
- Fuel filters
- Lube filters
- Hydraulic and transmission filters and accessories
- Donaldson Endurance™ extended service air, lube and coolant products
- Coolant filters and additive replenishment technology
- Air intake accessories – such as rain caps, rubber elbows and connectors, Vacuator™ Valves, stack extensions
- Mufflers
- Exhaust accessories – such as clamps and connectors, flex and straight tubing, elbows

Ask your Donaldson distributor or dealer for more information about our full line of filtration products and accessories.

Complete Solutions for a Full Range of Trucks

Fuel Filtration

- Expanded line of fuel filters protect engine components and extend equipment life.
- Includes a full complement of filters to fit Cummins® engines, Racor® fuel systems and DAVCO® Fuel Pro® 380/382/482 systems.
- Twist&Drain™ valves turn the complicated task of removing water into an easy process.

Lube Filtration

- Donaldson lube filters keep engine oil clean by capturing contaminants that can cause engine damage.
- With coverage for a full range of popular engines, Donaldson lube filters meet or exceed application requirements.

Hydraulic and Transmission Filtration

- Offering a broad line of spin-on, cartridge-style and in-tank hydraulic filters – including high, medium and low pressure options – that protect transmissions, machinery and components in hundreds of applications.
- Complete line of hydraulic accessories to accommodate virtually any mobile application.
- Donaldson Duramax® filters are the highest rated medium pressure filters available.

DURAMAX®

Coolant Filtration

- Donaldson coolant filters remove contaminants and maintain cooling system balance – helping to keep today's hot-running engines cool and reducing downtime.

Mufflers & Exhaust Accessories

- For more than 50 years, Donaldson has been a leading supplier of exhaust systems, components and accessories for medium and heavy-duty diesel powered trucks and equipment.

king Applications

Air Filtration

- PowerCore® technology delivers improved filtration performance in a smaller package
 - Straight-through fluted design for greater efficiency
 - Offers better engine protection with no media movement, expansion, contraction or bunching
 - Contamination encapsulation makes servicing easier
 - Over 10 million sold, over 10 years in service on heavy-duty on- and off-road equipment.
- A full line of air intake systems, replacement parts and accessories for new and retrofit applications – in a variety of styles, sizes, materials and performance specifications.
- Donaldson cabin air filters improve air quality by removing allergens and pollutants before they enter the truck cab.

PowerCore®

Extended Service Filtration Requires Superior Media

Donaldson®
Endurance™

With pioneering technology – **Synteq™ media** for liquid filters and **Ultra-Web® nanofiber media** for air filters – Donaldson Endurance™ filters trap higher volumes of fine contaminant while maintaining flow, protecting engines, extending service intervals and reducing downtime.

Donaldson Endurance™ Lube Filters with Synteq™ Media

Donaldson Endurance lube filters – with Synteq media – deliver extended service intervals, improved lubricant flow, improved cold start performance and a higher level of engine protection to prolong engine and equipment life.

Donaldson Endurance™ Coolant Filters

Donaldson Endurance coolant filters allow you to extend filter life while maintaining coolant condition. Donaldson Endurance Plus coolant filters with additive replenishment technology allow you to extend your maintenance intervals up to once a year or 150,000 miles.

Donaldson Endurance™ Air Filters with Ultra-Web® Nanofiber Technology

Go **Twice the Distance** with Donaldson Endurance Air Filters, featuring our advanced Ultra-Web technology. They're durable, robust and designed to perform in extreme temperature and humidity conditions. In field tests, they hold five times more contaminant when compared to conventional cellulose air filters!
